The screenshot shows a mobile application interface for "fluc". At the top left, the "fluc" logo is visible. The main header area includes "Your Order" and the user's name "Juan Carlos". Below this, a progress bar shows the order status: "To Restaurant", "At Restaurant", "Order picked up" (highlighted in blue), "To Destination", and "At Destination".

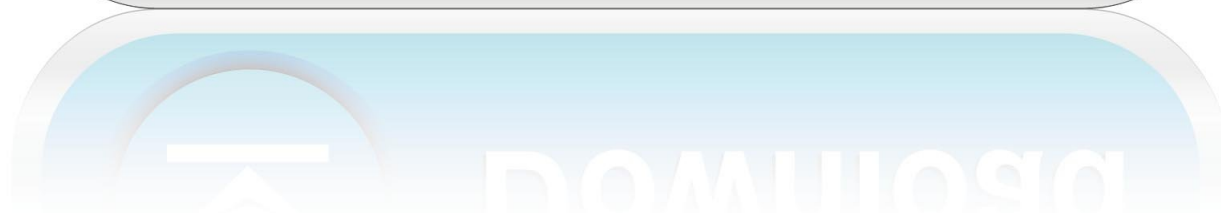

The left sidebar contains a profile picture of Juan Carlos, his name, and contact information: "Called: Juan Carlos", "Rating: 4.2", and "Mobile: (855) 358-2669". Below the profile are expandable sections for "Order Address & Cost", "Order Details - #9o50rgco", and "Shopping Cart 2 items".

The shopping cart items are:

- 1 Abuela Hot Chocolate, Size: Small - \$4.20, Addons: Whipped Cream (Light) - \$0.60, Soy Milk (Standard) - \$1.20
- 1 Turkey & Asparagus Crepe, Size: Standard - \$10.20, Addons: None

The main area of the app is a map showing the delivery route. A yellow line indicates the path from the restaurant to the destination. The map includes various landmarks and street names like "El Camino Real", "Oak Grove Ave", and "Derry Ln". A digital clock in the bottom right corner of the map area shows "14:10".

At the bottom of the app, there is a navigation bar with links for "About", "FAQ", "Works", "Press", "Privacy", "Terms", and "Contact". The footer also includes the phone number "+1 (855) FLUC-NOW (358-2669)" and the year "2013 © Fluc, Inc".
